Dear Judge Preska:

We represent plaintiffs Amnesty International USA, Washington Square Legal Services, and the Center for Constitutional Rights in the above-captioned matter. We write to update the Court regarding the agreed-upon processing and briefing schedule for the Central Intelligence Agency ("CIA").

In a letter we sent the Court on April 18, 2008, we informed you that CIA was to submit its summary judgment brief on Monday, April 21, and that plaintiffs' opposition (and brief in support of their cross-motion for summary judgment) would be due on a date to be negotiated by the parties, but not before May 14, 2008.

We write today to inform the Court that the parties have reached agreement as to the remainder of the schedule. Plaintiffs' opposition (and brief in support of their cross-motion for summary judgment) will be due on Wednesday, May 28, 2008. Accordingly, CIA's opposition/reply brief will be due on Friday, June 27, 2008 and plaintiffs' reply brief will be due on Friday, July 11, 2008, unless otherwise agreed by the parties.

We respectfully request that the Court approve this proposed schedule.

Yours truly,

A handwritten signature of Kyle DeYoung.
